

Les cartes "Mots de la nature"
la jungle et la savane

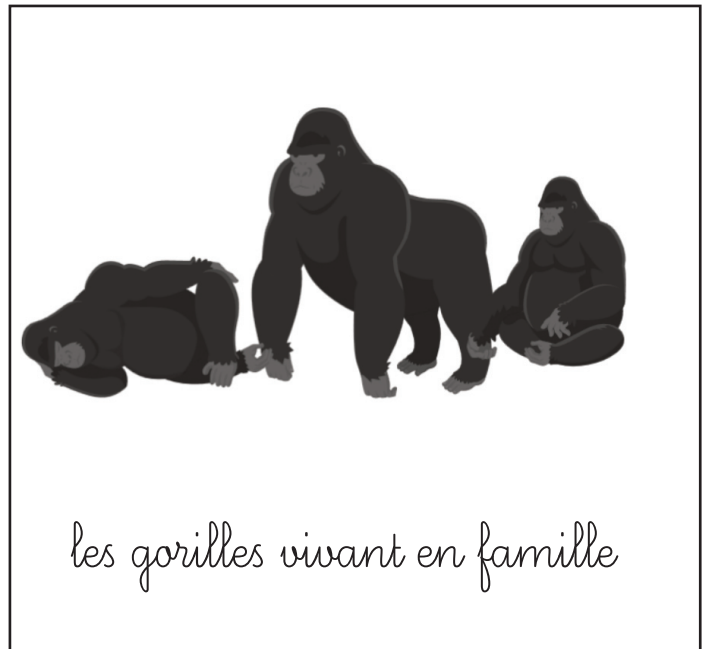

Dans la jungle

le singe sauter d'arbre en arbre

un éléphant

les gorilles vivant en famille

Dans la savane

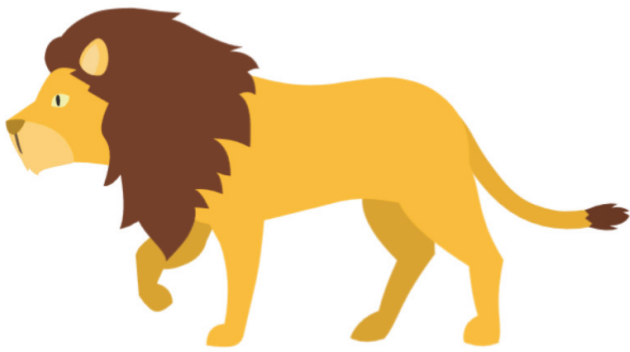

je photographie

le tigre redoutable

un zèbre

le lion rugir

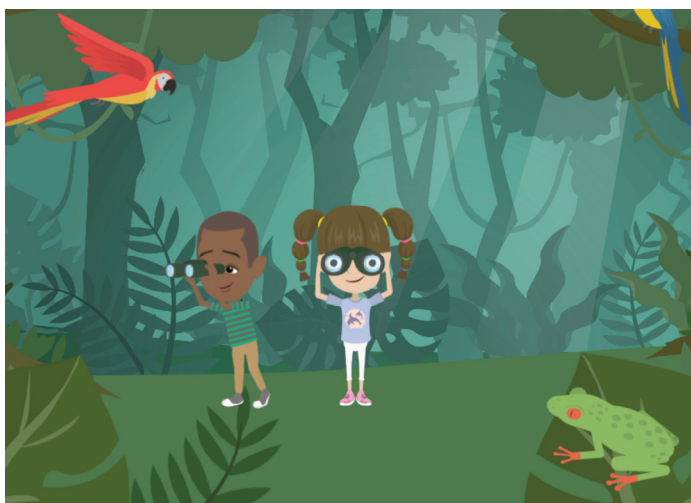

le perroquet causer

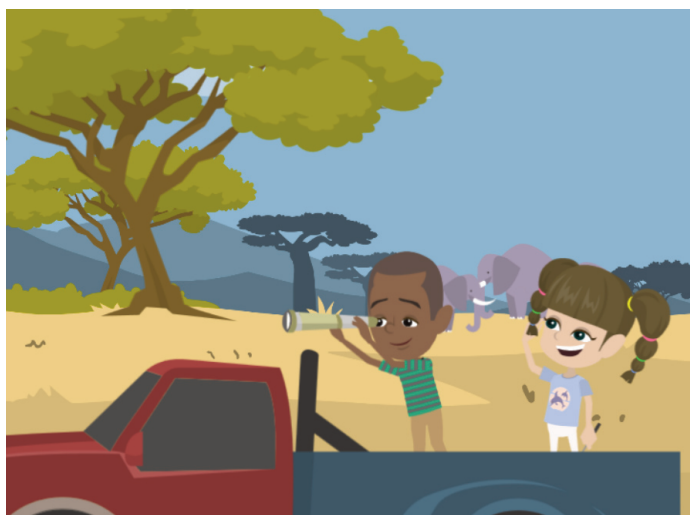

l'hippopotame qui
prend son bain

il y a de nombreux dangers

nous observons

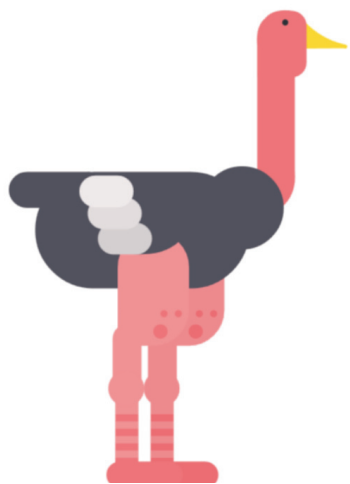

on regarde se promener

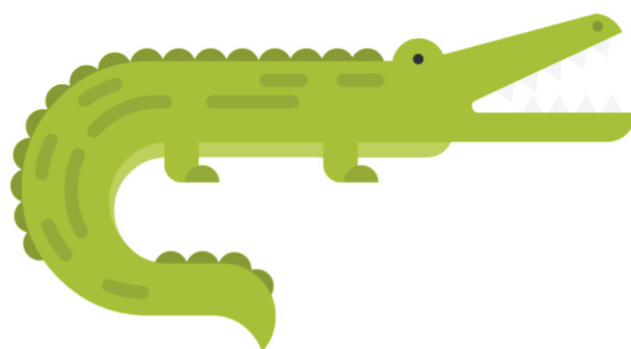

j'écoute

j'apprends à reconnaître

l'autruche

un crocodile
