

Upgrade Your Writing Experience with the STABILO dr!ver

The STABILO dr!ver combines sleek, stylish design with comfort and reliability to elevate your writing experience. Tailored for ambitious college students, discerning office professionals, and high-volume writers, dr!ver is the ultimate tool for anyone looking to enhance focus and productivity with a premium pen. Meeting the diverse needs of its users, STABILO dr!ver offers two distinct versions, each designed to cater different writing preferences.

Two premium pen versions for any workspace

The fine 0.4 mm cushioned metal-clad tip version adapts to individual writing pressure, offering smooth and effortless writing, suitable for sketches, detailed drawings and neat writing day in, day out. The medium 0.8 mm felt-tip version features a robust nylon tip, providing excellent comfort and a pleasant writing experience, perfect for fast writing and quick notes. Coming in four office tailored colors (blue,

black, red, green) with a smudge-proof, odorless and water-based ink.

The pen can easily be stored in any pocket or purse without staining thanks to the cap. It prevents the tip from drying out and includes a viewing window, allowing users to see the tip at all times. Additionally, STABILO dr!ver is equipped with a metal clip, making it easy to secure to notebooks or pockets for on-the-go use.

Design meets Sustainability

The thoughtfully designed all-black appearance of STABILO dr!ver ensures it fits seamlessly into any workspace, whether in the office, at university, or at home. The pen's elegant, classic design is complemented by a non-slip soft rubber grip zone, enhancing writing comfort and control. We believe that a well-designed pen can make a significant difference in productivity and satisfaction, and STABILO dr!ver offers just that.

STABILO dr!ver is also a sustainable choice, featuring ISCC PLUS certification. 94% bio-based plastic have been sourced to produce the pen body and cap in accordance with the mass balance approach, reflecting STABILO's commitment to environmental responsibility. For the manufacture of the certified bio-based plastic crude oil is replaced by bio-circular material fostering a transformation from fossil to bio-based raw material.

STABILO dr!ver is designed for a diverse audience. Whether you are a budding professional, an aspiring academic, or someone who simply loves to write, this pen is virtually custom-made for you. Boost your writing experience with STABILO dr!ver and immerse yourself in a writing adventure unlike any other.

As of January 2025, STABILO dr!ver are available online and in selected stores. For more information about the new STABILO dr!ver or the ISCC PLUS certified material visit stabilo.com

About STABILO

STABILO International is one of the leading manufacturers of writing instruments in Europe and continually sets new standards with products for writing, painting & drawing, and highlighting. Examples include the STABILO BOSS highlighter and the STABILO point 88 fineliner, both classics sold billions of times worldwide, as well as many other pens and pencils for colorful and creative design pursuits. Most recently, our digital expertise has yielded a diagnostic tool consisting of a pen and an app that teachers can use to analyze and improve children's writing skills.
